WHITTINGTON RANGES AND HOPWAS WOOD UPDATE

The bridleway from Common Lane via the range and Hopwas Hay Lane to Hopwas Bridge on the canal will be closed as per the Byelaws when firing is due to take place, until all live firing is complete.

Gates are installed on both the Hopwas bridge and the Tamhorn bridge. They will be locked when firing is taking place and locked in the open position when no firing is taking place.

If you are requested by a Military Sentry not to proceed past a given point, please adhere to their instructions as they are given for your own safety. All sentries are equipped with body cameras.

~~No camping, or overnight stays are permitted within Hopwas Woods.~~

~~Military Personnel may still carry out dry, none live firing training, within the boundary of MOD land in Hopwas Wood when it is open to the public (as per the Byelaws).~~

Hopwas Wood is currently out of bounds to exercising units.
